

UNITED'S DOUBLE BONUS WEEKENDS

Will Lower Your Food Costs!

EFFECTIVE IMMEDIATELY, UNITED'S WEEKLY ADS WILL GROW FROM 7 DAYS TO 9 DAYS! YOU WILL HAVE A "DOUBLE BONUS"! TWO ADS WILL BE IN EFFECT ON SATURDAY AND SUNDAY EACH WEEK.

This means the savings are greater all weekend long to help you save even more on the quality foods you buy the most.

That's right - you will have two additional days of savings each weekend from now on!

At United, we believe in "LONG TERM" savings, real everyday lower prices, unlike other stores that promote 3-Day Specials. We will have at least 80 items on ad each weekend and hundreds of weekly in-store promotions.

We will continue to pass on all manufacturer special allowances to our customers in the form of "Wisebuy Savings" as we have always done and you will find signs noting these additional savings in every department. This practice generates "GREATER SAVINGS" day in and day out. You can actually see the "price difference" on the name brand quality foods on your receipt. Unlike other stores, we will promote the entire allowance.

This is another example of why Marin has been shopping United Markets for over 54 years. Try us today and you will see why United is the place to SHOP and SAVE.★
